LUXURY CUSTOMIZED FURNITURE

WINE COLLECTION

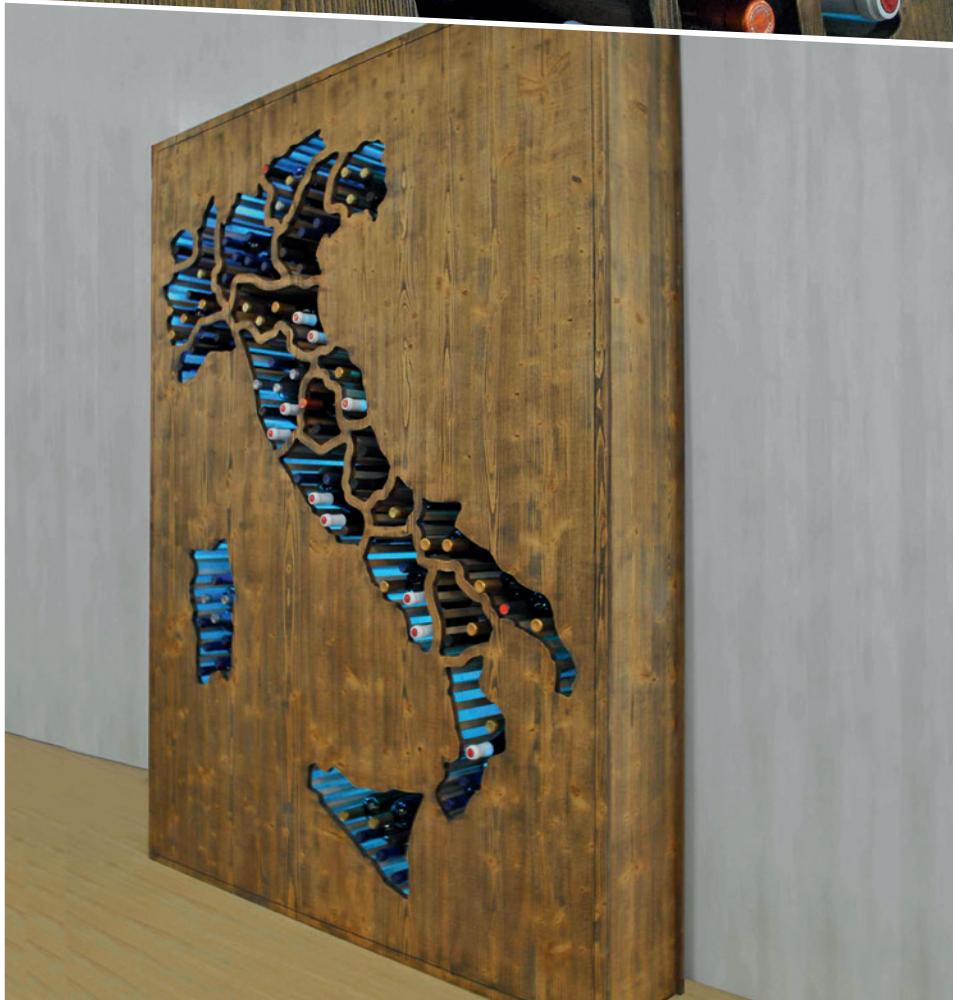

PROFILO AZIENDALE COMPANY PROFILE

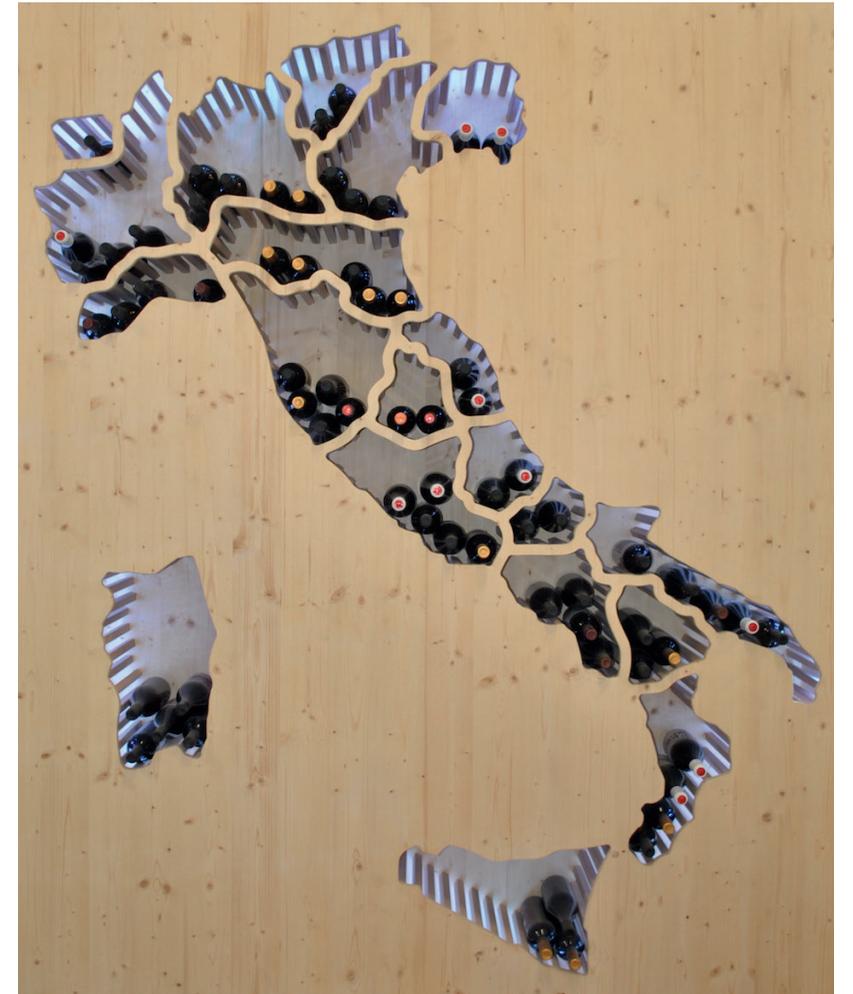

Tutti i nostri mobili sono realizzati in legno massello in 3 strati proveniente esclusivamente da coltivazioni italiane ed europee. Utilizzare legni da coltivazione è molto importante per contribuire in modo attivo alla protezione dell'ambiente da comportamenti indiscriminati evitando quindi la deforestazione. La costruzione di tutti i nostri mobili viene eseguita manualmente all'interno del nostro laboratorio e viene seguita in tutte le fasi della produzione da artigiani esperti. Per la finitura utilizziamo oli e cere naturali. Con questa tecnica il legno manterrà le sue naturali traspirazioni esaltando la propria bellezza.

All our furniture are made by wood exclusively coming from italian and european plantation. Is very important to use plantation wood in order to actively contribute in the environmental protection avoiding the deforestation. The building of all our products is manually carried out within the factory and it's followed by skilled artisans through all stages of production. As concern finishing we use natural oils and waxes. By this technique the wood keep his natural perspirations enhancing his beauty.
